**NARRATIVE:**

Kolone, has an extensive adult criminal history that began at the age of 22 and includes prohibited possession of ammunition by felon, possession of controlled substance while armed, evading police with disregard for safety, driving under the influence of drugs and alcohol, tamper with vehicle, vehicle theft, conspiracy to commit a crime, possession of controlled substance, pass fictitious check, parole violations, and violation of supervised release. Kolone has served 7 prison terms, the longest being 3 years for possession of ammunition. He was released most recently, after serving a 16 month prison term, to the supervision of the Los Angeles County Probation Department on 05/30/2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2013 after Kolone absconded from post release community supervision (PRCS). Kolone qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substance is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
